**2020**

**XCEL**

**AFRICA AND MIDDLE EAST OHSE SUMMIT**

# WE ARE DEFINITELY LOOKING FOR

OHSE Experts who are ready to share their experience and explore topics related to:

- Safety leadership
- Safety Culture and Behavioral Safety
- Business Continuity
- Management of change
- Soft Skills, Competency and qualification
- The HR role in the HSE MS
- Supervision
- Risk Management
- Process Safety
- Technology and Innovations
- Mental Health
- CSR
- Lessons Learned, Safety Alerts and storytelling (Cost of Accidents)
- Others

Due to the actual global health concerns, priority will be given to papers related to COVID-19 Risk Assessment, Preparedness Framework, Response activities, Impact...

## **WE ARE DEFINITELY NOT LOOKING FOR**

- Any kind of product or service marketing see our NO COMMERCIALISM Policy
- Theoretical presentations based on what you can read online or in books
- Analysis and case studies which have been presented several times on other conferences (please note that this remains subject to the Steering Committee judgment, well known story telling might be accepted)

# CALL FOR SPEAKERS TERMS

- The speech should be up to 30 minutes, 10 to 15 minutes Q&A not included.
- A maximum of 2 speakers can take part in one speech.
- We do not accept sales/marketing presentations (the Exhibition is the space where you can share this if you are interested to)
- The presentations and speakers will be selected by the Steering Committee
